Since the Swank Funeral Home first was established in 1912, the people of this community have come here in their time of need. From 1912 funerals were held in the churches until the first chapel was added to the funeral home in 1920. In 1932 a new chapel was completed, with remodeling done and a family room being added in 1948. The chapel in 1954 was dedicated by the present owners to the memory of the late Mr. Wilmer Swank, and was renamed Swank Memorial Chapel.
